**Braille reads in Marburg Medium:**

**SUDOCREM**

**Directions:** Apply a thin layer to the skin as required. **Warnings:** Do not use if allergic to any of the ingredients. Keep out of the eyes, nose and mouth. If symptoms persist or if accidentally swallowed seek medical help. Do not smoke or go near naked flames - risk of severe burns. Fabric (clothing, bedding, dressings etc) that has been in contact with this product burns more easily and is a serious fire hazard. Washing clothing and bedding may reduce product build-up but not totally remove it. **Side effects:** Occasionally local irritation occurs. If this happens seek medical help. **Reporting side effects:** If you get any side effects talk to your doctor or pharmacist. You can report side effects via: UK: YellowCard Scheme at [www.mhra.gov.uk/yellowcard](http://www.mhra.gov.uk/yellowcard) or search for MHRA Yellow Card in the Google Play or Apple App Store. This helps to provide information on the safety of this medicine. Keep out of the sight and reach of children. **Active ingredients (% w/w):** zinc oxide 15.25, benzyl alcohol 0.39, benzyl benzoate 1.01, benzyl cinnamate 0.15, lanolin (hypo-allergenic) 4. Also contains: purified water, liquid paraffin, paraffin wax, beeswax, microcrystalline wax, sodium benzoate, linalyl acetate, propylene glycol, citric acid, butylated hydroxyanisole, sorbitan sesquioleate, lavender fragrance.
