GB 321327

For the relief of itching and skin irritation.
Directions: Apply to the affected area 2-3 times daily. Irritation will be relieved for 6 to 10 hours. If symptoms persist consult your doctor. Eurax can be used for children. For children under 3 years of age consult your doctor before use and do not apply more than once a day.
Cautions: Do not use in or around the eyes, on broken skin, for weeping skin conditions or if you are sensitive to any of the ingredients. Eurax Cream is not recommended in pregnancy. Consult your doctor or pharmacist before using Eurax Cream if you are breast feeding, or suffering from genital itching. Eurax Cream should only be used under the direction of your doctor.
If this occurs or you experience other symptoms stop using the product and consult your doctor.

If Eurax is accidentally swallowed, contact your nearest hospital casualty department or tell your doctor immediately.
Active Ingredient: Crotamiton BP 10% w/w
Also contains: Methyl hydroxybenzoate, phenylethyl alcohol, glycerol, triethanolamine, sodium lauryl sulphate, ethylene glycol monostearate, stearyl alcohol, strong ammonia solution, stearic acid, hard paraffin, white beeswax and perfume.
Do not store above 25°C. Do not use after the expiry date given. Keep all medicines out of the sight and reach of children.

Fire hazard. Do not smoke or go near naked flames; clothing & bedding with this product dried on them can catch fire easily.
